Jack's Twisted Mansion

A theatrical dinner experience that will have everyone on the edge of their seats!

A theatrical dinner experience that will have everyone on the edge of their seats!

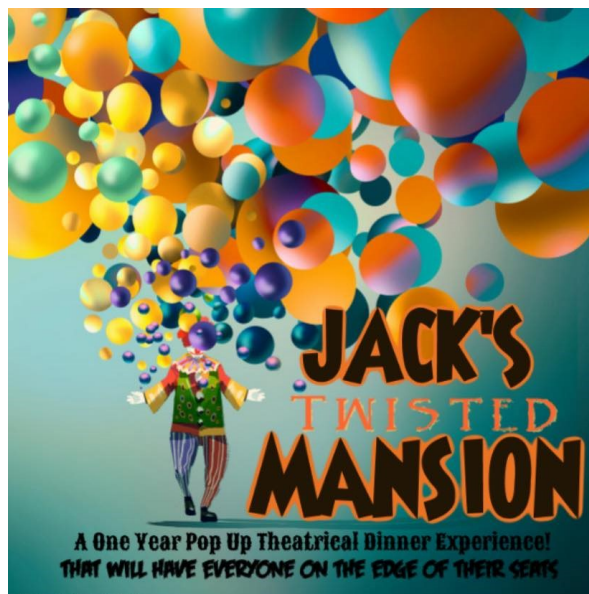

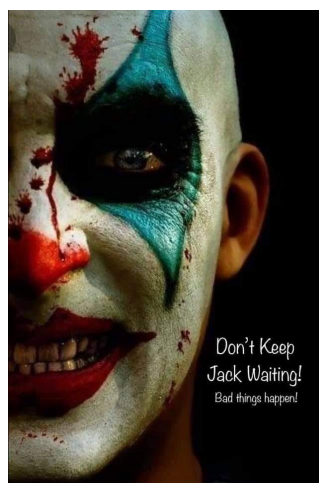

When Jack was a boy, he always dreamed of becoming a clown. His parents, owners of a luxurious mansion in Portland, Maine, well-known for hosting the best dinner parties, begged and pleaded with Jack to take over the family's dinner party tradition. Instead, Jack ran away and joined a circus. This was not just any old circus, Jack joined a troupe of bloodthirsty clowns; although all very talented, they really don't play nice with others. Years later, after the "mysterious disappearance" of Jack's parents, Jack inherited the mansion, and he decided to bring all his new circus friends home to live with him and take over the family's famous dinner party tradition. Except that, now, Jack does it his way. Whatever did happen to Jack's parents? To find out, you will have to meet Jack at his dinner table. Will you be Jack's dinner guest at his new mansion? Fee includes admission to the "Twisted Mansion" and show but meal, drinks and gratuity is on participants.
