Little Engineers

Easy and fun for all ages, this program encourages creativity and instills a sense of accomplishment. While building in these sessions, kids will learn to use plastic tools in a safe manner and create really cool stuff in less than an hour. We will be using Legos, cardboard boxes, Lincoln Logs, and much more.

Location: OOB Ballpark (we will transport students from school in our bus)

Dates: **Thursdays 12/2, 12/9, 12/16, 12/23**

Age: K-2nd

Time: 2:30pm-3:30pm

Max: 14 Students

Cost: \$40
