## ❁ ❁ Shelter Helpers ❁ ❁

We welcome back one of our most beloved rec. programs in partnership with the Animal Welfare Society in Kennebunk. Each week we children can expect sessions to include a dog focused lesson, a cat lesson, a special needs animal lesson, and a small animals lesson. Each Participant will receive their honorary Shelter Helps Volunteer Shirt to wear each week. We will pick your child up right from their classrooms to jump on the bus and head right to the shelter. Please pack a snack or 2 and a water bottle as there are no water fountains. All participants will need to wear a mask during this program. We will return back to Ballpark for you to pick them up.

**\*\*A waiver form is required**

## REC AIR

Get up, and get active with our new Urban Air program. Each week we will head to South Portland for an hour full of exercise and fun! Your child will have the opportunity to play dodgeball, jump in the foam pit, test their basketball skills on the slam dunk, jump on a variety of trampolines, and more! Please pack a snack or 2 and a water bottle as there are no water fountains. All participants will need to wear a mask during this program. We will return back to Ballpark for you to pick them up.
